

INFORMATION

on resources &
services to employers
across the state

The Minnesota Department of Employment and Economic Development offers help for employers seeking to hire migrant and seasonal farm workers through its Migrant and Seasonal Farmworker program. Migrant Labor Representatives provide services to employers across the state.

Contact a Migrant Labor Representative to receive information about:

Interstate and intrastate clearance orders

Federal and state farm labor compliance regulations

Mediation and interpreter services

Liaison between migrant service providers and employers

Creating a skills-based job order and posts on the state's no-fee online job bank

ABOUT CAREERFORCE

CareerForce serves employers by helping them find the right workers from entry level to highly skilled. Services include no-fee online job posting, workforce strategy consultation to assist in planning for immediate and future workforce needs, plus customized labor market information and analysis.

One unified network

CareerForce is a business-led network of private, public and nonprofit partners throughout Minnesota committed to helping:

- Individuals start, advance or change their career
- Employers attract, develop and retain talent
- Minnesota thrive economically

MIGRANT LABOR REPRESENTATIVES

your connection to the right workers

Migrant labor representatives have knowledge of the available agricultural workforce in the area because of their outreach to migrant and seasonal farmworkers. They screen workers for job skills and experience, and determine whether farmworkers are interested in permanent or temporary employment.

You can find a migrant labor representative at four of the state's CareerForce locations. Please see the list of representatives below.
